Kids' CHOIRS

@ Hawthorne Lane UMC

501 Hawthorne Lane , Charlotte
www.hlumc.org

*** Send in check to church office
OR pay online/register at www.hlumc.org.

OUR PHILOSOPHY

We at HLUMC will work hard to offer a choir program that builds singers, musicians and worship leaders from the wee ones to the oldest adults.

We believe God has called us all to sing and lift up our voices in praise and thanksgiving each and everyday.

We teach that all children are given a voice with which to honor God and with the right tools and practice can make music that is beautiful together.

We will do all we can to involve all children no matter what their experience or ability level may be.

Our teachers are well-educated and gifted not only in music but teaching music through worship and praise.

OUR THEME FOR 2018-2019

*“You did not choose me but I chose you.
And I appointed you to go and bear fruit,
fruit that will last, so that the Father will give
you whatever you ask him in my name.
I am giving you these commands
so that you may love another.
John 15: 9-17*

OUR REQUIREMENTS

It's easy! Just fill out the registration form and pay the activity fee online. The come to the kick off night September 5th at 5:30pm. This is all you need for a whole year of choir fun!

Children do not have to be members of the church t participate although there will be 3 performances during the Sunday morning worship service each semester. **As last year—to help cover our costs that go beyond the budget of HLUMC there is a \$50 activity fee for kids music. This helps cover all the music, activities, and the teeshirt too!** *(If this poses any financial difficulty just let us know—we want your child to participate!)*

The kids & youth will wear choir T-shirts for performances. We'll need to know your child's size but the cost of the shirt is covered in the activity fee.

Each group will sing once a month in the worship service in the fall and again in the spring. There will be a large Christmas performance in December and again in May.

We ask that you treat the choir rehearsals as a regular part of your child's weekly schedule to help them learn commitment and dedication to a church family and their fellow choir singers.

HOW YOU CAN HELP

- ❑ Ask your child what he/she has learned. Let them sing the songs to you to aid in memory and confidence.
- ❑ Encourage your child as he/she learns to use their voice in worship. Singing in front of people is sometimes scary but very rewarding. Let your child know how you appreciate his/her participation in the worship services.
- ❑ Recruit family and friends to join the choir with your child.
- ❑ Help the teachers and the program by volunteering your time and talents .
